Experts can't tell you when the next wildfire will happen, but they do know that wildfires can happen at any time in Southern California. Many residents have not taken the most basic steps to protect their families, homes and neighborhoods from Orange County's #1 fire risk.

During your FREE Wildfire Home Assessment, the outside of your home and property, along with other risk factors, will be evaluated. Then, you'll be given specific steps you can take to reduce your home's vulnerability to wildfire.

Many proven tips to help your home survive a wildfire are available 24/7 at ocfa.org, including:

Landscaping	Construction	Safety
