

CAR SEAT INSTALLATION

In an effort to ensure parents and caregivers install seats correctly, OCFA is offering free car seat safety inspections and installations, by appointment only, at locations throughout Orange County. This is a chance for a one-on-one session with a Certified Child Passenger Safety Technician. These experts will help parents and caregivers properly install a car seat into the vehicle.

*Correctly used
child safety seats
can reduce the
risk of death
by as much as
71 percent.*
